## APENDIX 1

### 1. Return from the Parking Area and/or Parc Fermé to the Service Park

Upon returning from the parking area and/or Parc Fermé at the finish to the service park, all drivers are strictly required to wear safety belts.

Wearing crash helmets is mandatory for drivers of single-seater and two-seater racing cars and strongly recommended for drivers of touring cars.

***It is strictly prohibited to carry any passengers during the return journey.***

During the return journey from the finish to the starting area, drivers must maintain a close convoy formation and avoid leaving excessive space between their vehicle and the one in front.

Any violation of these rules will result in the competitor being reported to the stewards, who may impose appropriate sanctions.

### 2. Compliance with Officials' Instructions

All drivers must strictly follow the instructions given by race officials.

### 3. Penalties for Non-Compliance

Failure to comply with these provisions may result in penalties being imposed by the stewards, up to and including exclusion from the competition.

### 4. Environmental Regulations

Waste oil and other vehicle fluids must be disposed of in designated containers. All drivers are **required to use liquid-tight tarpaulins** under their vehicles, with **minimum dimensions of 3 x 4 meters**. Failure to comply with these requirements will result in a **fine of €150**.

### 5. Fuel Requirements Before Practice

Before the start of practice, each vehicle must be filled with **sufficient fuel for two full runs and the return trip**.

### 6. Chicane

One chicane is located on the track, approximately **3190 meters from the start**. The **second row of tire stacks** is left open to allow for an **emergency exit**.

In the event of a technical issue or a braking error, drivers may use this **emergency passage** through the chicane. The chicane is constructed in accordance with the official layout on the picture below.

### 7. Chicane Passage Regulations

To prevent any competitive advantage gained from incorrect passage through the chicane, **every improper crossing will be reported without exception to the Clerk of the Course and/or the Stewards**.

**Judges of fact** will be appointed on-site to monitor compliance.

Any incorrect passage through the chicane will result in a **time penalty of 45 seconds (!)**.

This penalty will be added to the driver's total time in the respective **practice or race session**.
